

PANELIST

MentalHealth
Victoria

Kellie O'Callaghan

**Chair, Mental Health & Wellbeing, Interim
Regional Body - Gippsland**

Kellie is recognised for her strong leadership in health, community services and governance. She is a well-respected and authentic community leader with a passion for lived experience focused engagement. Kellie served as the Chair of a Regional Health Service Board, on a range of State and Federal government boards and committees, and as an elected Councillor and Mayor. She is currently the Chair of the Mental Health & Wellbeing Interim Regional Body and was recently appointed as the Chair of Regional Development Australia, Gippsland. Kellie applies her experience as a lived experience, board, strategy and governance advisor to assist organisations to harness the opportunities that exist when you develop trusted, connected and genuinely engaged relationships with stakeholders.
